

## What's out at the Riyadh Inter-Continental Hotel

### No More Mad Dogs and Englishmen...

With the cooler weather a welcome break from the hot summer you don't have to be a mad dog or Englishman to go out in the midday sun.

To celebrate this we have re-opened our outdoor Al Fresco Restaurant.

Every Wednesday and Thursday evening you can enjoy our BBQ and Fish Market overlooking the pool, with a wide range of fish and grilled meats cooked to order; open from 7 PM to 11:00 PM a 3 course dinner is SR 105 per person plus 15% service charge.

If the milder midday sun is more to your liking why not join us on Fridays for our Funday; a family oriented day with activities galore for the children; Face painting, games and competitions, Bouncy Castle, Computer Games and much more.

We serve a massive international buffet from 12:30 PM to 3:30 PM which is SR 95 per person for adults, children 6-12 pay 50% and under 6 are free.

Both are accessed via Gate 12 and you can park in our underground car park.

For reservations and further information call 465 5000 ext. 4023.

### Upto our %@#&\* in bricks!

The long over due renovation of two hundred bedrooms at the Riyadh IHC finally started in June. The programme, which will be completed in November, is a major refit; new windows, doors, cupboards and bathrooms. In fact the only thing that is not new is the original concrete structure!

The new rooms will offer a level of luxury that has not been seen before in Riyadh, not only furnishings but also the size of the rooms - a standard room will be a full 44 sq. feet. Additionally every room will have a fax machine, trouser press and two televisions. If you would like to see what is going on call James Sullivan-Tailyour on 465 5000 ext. 4519 to arrange for a tour and discuss how the Inter-Con can be your hotel of choice in Riyadh (if it isn't already that is!).
