Two friends were playing golf when one pulled out a cigar but he didn't have a lighter so he asked his friend if he had one.

"I sure do," he replied and reached into his golf bag and pulled out a 12 inch Bic lighter. "Wow!" said his friend, "where did you get that monster." "I got it from my genie." "You have a genie?" he asked. "Yes, he's right here in my golf bag." "Could I see him?"

He opens his golf bag and out pops the genie. The friend says, "I'm a good friend of your master. Will you grant me one wish?" "Yes I will," the genie said so he asks him for a million bucks and the genie hops back into the golf bag and leaves him standing there waiting for his million bucks. Suddenly the sky begins to darken and the sound of a million ducks flying overhead is heard.

The friend tells his golfing partner, "I asked for a million bucks not ducks!" He answers, "I forgot to tell you the genie is hard of hearing. Do you really think I asked him for a 12 inch Bic?"

Joe the consultant died suddenly, at the age of 45. He got to the gates of Heaven, and the angel standing there said, "We've been waiting a long time for you."

"What do you mean," he replied,

"I'm only 45, in the prime of my life. Why did I have to die now?"

"45? You're not 45, you're 82," replied the angel. "Wait a minute.

If you think I'm 82 then you have the wrong guy. I'm only 45. I can

show you my birth certificate."

"Hold on. Let me go check," said the angel and disappeared inside.

After a few minutes the angel returned. "Sorry, but by our records you are 82. I checked all the hours you have billed your clients, and you have to be 82..."

There was an Irishman, an Englishman and Claudia Schiffer sitting together in a carriage in a train going through Tasmania. Suddenly the train went through a tunnel and as it was an old style train there were no lights in the carriages and it went completely dark. Then there was this kissing noise and the sound of a really loud slap. When the train came out of the tunnel, Claudia Schiffer and the Irishman were sitting as if nothing had happened and the Englishman had his hand against his face as he had been slapped there. The Englishman was thinking: "The Irish fella must have kissed Claudia Schiffer and she missed him and slapped me instead." Claudia Schiffer was thinking: "The English fella must have tried to kiss me and actually kissed the Irishman and got slapped for it." The Irishman was thinking: "This is great! The next time the train goes through a tunnel I'll make another kissing noise and slap that English idiot again."
