

TRAVEL SHOP
OPEN
8.00am to 7.00pm

Check out our Travel Shop and check-in* for your flight.

Our Riyadh Travel Shop is now open six days a week 11 hours a day straight through from 8.00am to 7.00pm. And to make travelling with us even more smooth, we've moved our City Check-in Counter to the Travel Shop, making all our facilities and services more convenient and more accessible for you.

* You can check-in at the Travel Shop on the ground floor of King Faisal Foundation Building at the usual times, 10.00am - 2.00pm and 3.00pm to 7.00pm every Monday, Wednesday and Saturday. Bring your passport and ticket and you'll receive your boarding pass, saving you time at the airport. All baggage will only be accepted at the airport and not at the Travel Shop.

So tell your friends about the British Airways Travel Shop's extended opening hours and City Check-in desk. These are just more ways we make your life easier.
