DIARY  
DATES

Provisional date for next RGBB Briefing is Feb 5th 2000

The Friday spectacle out on the Al Kharj highway continues with Supercross Motorbikes and Go-Karting events scheduled over the next few months.

RGBB member Chris Maybury actually takes part, other mere mortals stand and watch. Spectators pay only SR15 and there's a cafe on the site for cold drinks.

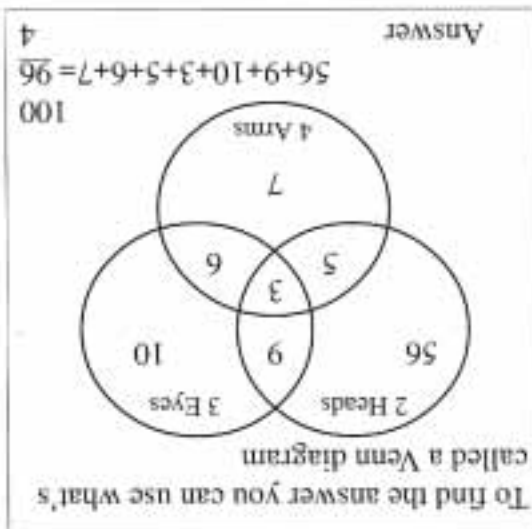

Well supported by the Harley Davidson Owners Club there are often some other great bikes around just to take a look at. Practice sessions kick off at about 0800 hours but the racing proper starts around 10am.

If you want to know more about the Motocross give Vince Porter a call on 055 483 780. For Karting information call Juergen Leschke on 01 246 4144

Solution to Weird or What (Page 7)

After over 20 years of coming & going "Uncle" Geoff Hopkins is finally hanging up his thobe & ghutra. "Retirement to the wet fields of Normandy is fractionally more appealing than signing up for another 20 years" said an informed source.

I'm sure we shall all miss Geoff, his dry sense of humour and his gorgeous wife Odile. Lets hope they'll raise a glass or two from time to time in memory of fellow members still serving sentence. But be warned, rumour on the grapevine says that he's thinking of doing a little trading from his chateau, so next time you see that "homme sur le bicyclet" in the stripey T-shirt and beret, take a closer look before refusing his onions.

YES,  
THEY'RE
