

## VIP Visitor

HRH Prince Andrew, The Duke of York, visited the school during March. His role as Special Representative involves promoting the UK as an attractive inward investment destination for foreign investors; creating more positive business conditions for British businesses investing overseas; and helping UK companies export their products to emerging and established markets.

The Board of Governors are pleased to announce the appointment of Donald Wilkinson as the new Principal of BISR from September 2009. A brief overview of Mr Wilkinson's career to date follows:

1973 -1979 Keble College Oxford, First Class Honours in Modern History M Litt. QTS
