Saturday	July	6	5.30	Embassy Briefing	Venue 1
Friday	July	12	all day	RGBB Squash Tournament	Arabian Homes

16 COMMIT SIG members and other interested parties were treated to an interesting and thought provoking presentation on encryption and security by Martin Dickinson on Dec 4th. A copy of this presentation in "Powerpoint" format is available to any interested member by contacting either Martin or myself.

The first general discussion meeting under the present chairmanship to refine the group's objectives will be held on the 17th February. Results of this meeting will be communicated to all RGBB members to clarify our activities and to encourage new membership of the group.

TIMS BACK

The sharp eyed among readers of the last Enterprise UK from the British Embassy will have spotted the name of Tim Ashcroft listed as a contact for companies wishing to link up with the Wales Trade International Business Opportunities Programme. If you want to more about this program, give Andrew Mead a call.

Tim is pictured above with David Riley, the Vice Chairman of our Manufacturing SIG and in case you're wondering... Yes it is the same Tim who left here some six years

ago after completing about 15 years service in the Kingdom. Some readers will be more familiar with Tims back view I suspect, since he used to be involved as the conductor of the Riyadh Concert Orchestra, who

performed those famous 'Proms' Nights. David by the way is still in the band and this photo was taken at one of the practice nights at the British School in Riyadh.

Mary MacLaughlan who currently conducts the group tells me that they are always on the look out for any new performers to replace the "Exit Only's" who sadly take their expertise with them when they go.

If you are a musician and would like to know a little more about when & where the orchestra gets together, give Mary a call on Riyadh 442 61 19
