

CRANE AGENT OPENS DAMMAM FACILITY

Arabian Construction Materials Co. Ltd (ARCOM), the sole agent for Crane Fluid Systems, of Ipswich, England, announce the opening of their new showroom and warehouse facility in Dammam.

General Manager Luke Bowen (above) stated, "We are pleased to announce the appointment of Peter Thompson as Regional Manager of our new Eastern Province operation. Peter has a wealth of experience in the Fluid Handling Industry, having worked for Aramco in Lieden and Ras Tanura, for QGPC in

Qatar and latterly in the commercial pump distribution sector in Dammam.

Peters expertise, coupled with our pre-eminent range of Fluid Handling products, immediate availability, competitive pricing policies and unrivalled technical support in Kingdom and from our principals, is a winning formula. The re-launch of the Crane range of Carbon Steel valves is particularly appropriate for the Eastern Province market."

Peter is a member of the Eastern BBA as well as the RGBB in Riyadh, is married to Sara, and has a teenage daughter. He is now resident in Al Khobar and can be reached on 05-628-8047 or by Email at peter@arabianc.com.
