

The Multinational School

Introduction of A' Levels 2007-2008

The Multinational School is proud to announce the introduction of the General Certificate of Education (Advanced Level), or A' Level, which is a two year course and is considered the pathway to university studies in many countries. This course is one of the most recognized qualifications around the world and is accepted as proof of academic ability for entry into universities.

Providing good quality education for their children is one of the greatest challenges facing many expatriates residing in Riyadh. The Multinational School is committed to providing a quality, inclusive education in English that meets the needs of each student.

To maintain the promise of providing students with the highest standards of excellence in an academically stimulating environment, the Multinational School will introduce the **'Advanced-Levels Subsidiary' in September 2007 and 'Advanced Levels' the following year.**

The proposed subjects for the A-S Level (2007-2008) offered by the Multinational School will include the following:

English Language and Literature
Mathematics
Physics
Chemistry
Biology
Information Technology
Business Studies
History
Art
