

Al Thaneyan Office Co. Ltd.

Insurance Brokers

Are we covered?

As is often the case in business, the timing of the above question is crucial.

If asked when arranging insurance policies the result should be an understanding of the risks for which you are covered and those for which you are not.

However if asked as your main profit centre is engulfed in flames then you may find some unpleasant surprises.

Al Thaneyan Office are local Independent Insurance Brokers who have International Associations. They have been established since 1979 and are approved by the Saudi Arabian Monetary Agency for registration as an Insurance Broker, which is under process.

Our services include:

- Insurance reviews of existing insurance contracts.
- Insurance programme suggestions.
- Insurance programme placements with reputable insurance companies.
- Insurance programme management throughout the duration of the insurance contract including a full claims handling service.
- Risk Surveys in association with local experienced risk surveyors.

We provide advice and guidance in a confidential and professional way and are happy to offer our services to corporate and individual clients.
