

Kingdom City is not your typical Western residential compound. Ultimately it is a city with an attitude where lifestyle is at its best. Designed to reflect the textures and hues of the surrounding desert, it conveys a sense of casual elegance with a generous measure of flair. Consisting of 333 strategically located living accommodations, Kingdom City provides everything from luxury four bedroom Villas with private pools, to studios and guesthouses with all the facilities and amenities one can possibly expect.

All villas feature central air-condition systems, American/European quality furniture, soft pack, PABX (direct telephone lines on demand), front gardens, private rear gardens, shaded individual car parking, in addition to many other facilities.

Kingdom City offers you a multiplicity of services and leisure time facilities. Its diversity provides you with a supermarket, shops, a business centre, a barber and beauty salon and a nursery. Furthermore you can have a snack at the restaurant or cafeteria overlooking the pools and waterfall.

For the sporty resident, enjoy a steam bath or a sauna, or an invigorating dip into the Jacuzzi after a hard workout at our state of the art sports centre, or a game of racquetball, squash, tennis or basketball. As for the active young ones, they definitely will enjoy the pools, playgrounds, table tennis, bowling, billiard tables, basketball courts or the Bermuda soccer field.

24 hours advanced security, 24 hours emergency clinic (resident physician and dentist) plus 24 hours emergency maintenance services roundup the Kingdom City safety and comfort package. Transportation provisions for the school, shopping and airport add to the many conveniences that Kingdom City has to offer.
