You did promise yourself a break  
after this business trip.

---

But we don't think you'll be needing one.

At the Riyadh Inter-Continental Hotel we provide the right environment and facilities for our business guests to relax and unwind after a hard day's work. Our resort-style hotel located in the centre of Riyadh, is surrounded by mature green gardens and a well-manicured 9-hole golf course. After all, if you must work hard it wouldn't hurt, on occasion, to have some fun whilst you're at it.
