And Finally,

I would like to take this opportunity to welcome back to the main board Luke Bowen and David Burton after a twelve-month absence along with Ian Ewart. I do believe the introduction of these members will only strengthen and commit us further to move forward. Thank you also to those members who were kind enough to vote for me as Deputy Chairman at the recent AGM.

I must admit to having been a little selfish and asked to retain the responsibilities of Events Management, which I am glad to confirm has been agreed by the Chairman Mick Brown. I have taken note of all the comments made by the working group headed by John Goldfinch in his paper entitled "Is it time for Change ?" and thought it useful to put the full events calendar above. You will note a Squash and tennis Social Tournament which hopefully will be of interest to everybody especially the younger members.

Thanks

Martin Shaw
