

Riyadh direct with bmi

On 01 September 2005 bmi will commence a three times weekly service to Riyadh. bmi are the only British carrier to serve the Saudi Arabian capital, offering a choice of 3 award winning cabins, the business, premium economy and economy. Customers travelling in the business will be able to experience top quality food prepared by bmi's unique onboard chef, whilst passengers in all cabins will share in the highest quality of service.

the business

as good as it gets

first class service at a business fare

- dedicated check-in facilities
- access to business lounges offering complimentary drinks, snacks and business facilities
- priority boarding
- 60" legroom, 160 degrees recline

- seats have adjustable footrests, headrests and lumbar support
- telephone, laptop power point and dataports at each seat, power cables are available to loan.

on board chef

a fully qualified chef to make the journey even more enjoyable

This unique service, available in the business, offers food to the highest restaurant standard. You can choose from the extensive à la carte menus

available for breakfast, lunch, tea and dinner and let the highly trained chef do the rest.

premium economy

the little extra thoughts

everything in economy and much more

- dedicated check-in facilities at London Heathrow
- separate cabin
- 38" legroom - 6" more than economy
- seats have adjustable footrests, headrests and lumbar support

- contemporary and international food menu
- telephone, laptop power point and dataports at each seat, power cables are available to loan.

economy

comfort you wouldn't expect
value for money without cutting corners

- 32" legroom, adjustable headrests, footrests and lumbar support
- complimentary comfort kit*
- a choice of international and modern cuisine

- individual in-flight entertainment screens
- 11 movie, 9 television and 16 audio channels
- over 30 Nintendo and PC games.

bmi are proud of this award winning long-haul service
