

**RGBB
New
Members
Night**

The RGBB held a new members evening hosted by Paul and Barbara Williams in the Diplomatic Quarter on 25 May. This was one of Owain's first events as Chairman and an ideal opportunity for him to introduce the new Board to new members.

Fifty two members attended an enjoyably 'warm' evening and it was good to see such an encouraging turn out. Those attending included a mixture of recent arrivals and members who have been in the Kingdom for some time but had not yet had the opportunity to participate in one of these events. During the course of the evening Owain and his Board colleagues endeavoured to speak to all the new members.

There is no substitute for this personal commitment to the well being of all our new members recently arrived in the Kingdom. **Paul Williams**

Above: Retiring Board Member Graham Douglas has departed KSA for the UAE. Owain presented Graham with specially commissioned "Argie" as a token of appreciation for his time "in service".

**Another
Farewell**

As we go to press RGBB Secretary Adele has advised that she and husband Sean will be leaving Riyadh in July. We wish them both a safe journey and happy landing in Dubai .
