AL-KABRA MANAGEMENT CONSULTANTS

(Al Khobar - licence Number 208)

INVESTMENT IN SAUDI ARABIA

The new investment regulations now in force in Saudi Arabia, allows foreign individuals or foreign companies to invest and own up to 100% of a business, to own the required real estate and sponsor themselves and their employees. If you would like to take advantage of the relaxation of the rules, then we can assist you.

Al-Kabra specialise in providing the following services to clients:-

- Applications for investment licenses from the newly formed General Investment Authority.
- Amending licenses in terms of objectives and / or ownership.
- Obtaining customs exemption for factory products destined for other GCC countries.

And many more such services.
