

A rather confident man walks into a bar and takes a seat next to a very attractive woman. He gives her a quick glance, then casually looks at his watch for a moment.

The woman notices this and asks, "Is your date running late?"

"No", he replies, "I just bought this state-of-the-art watch and I was just testing it."

The intrigued woman says, "A state-of-the-art watch? What's so special about it?"

"It uses alpha waves to telepathically talk to me," he explains.

"Oh really? What's it telling you now?" she inquires.

"Well, it says you're not wearing any underwear..."

The woman giggles and replies, "Well it must be broken then, because I certainly am!"

At this, the man starts tapping on the watch face and says,
"Damn thing must be an hour fast!"

This guy was sitting in his attorney's office. "Do you want the bad news first or the terrible news?" the lawyer asked.

"Give me the bad news first," he says

"Your wife found a picture worth a half-million dollars."

"That's the bad news?" asked the man incredulously. "I can't wait to hear the terrible news."

"The terrible news is that it's of you and your secretary."

A young girl knelt in the confessional and said,
"Bless me, Father, for I have sinned."

"What is it, child?"

The girl said, "Father, I have committed the sin of vanity. Twice a day I gaze at myself in the mirror and tell myself how beautiful I am."

The priest turned, took a good look at the girl, and said, "My dear, I have good news. That isn't a sin - it's only a mistake."

A T.C. Special

So I went to the dentist.
He said "Say Aaah." I said "Why?"
He said "My dog's died."

A little girl asked her father, "Daddy? Do all Fairy Tales begin with 'Once Upon A Time'?"

"No" said Dad "there is a whole series of Fairy Tales that begin with 'If elected I promise'."

Refusing to give in to the looks of growing old, a lady went out and bought a new line of expensive cosmetics guaranteed to make her look years younger.

After a lengthy sitting before the mirror applying the "miracle" products, she asks her husband - "Darling, honestly, if you didn't know me, what age would you say I am?"

Looking over her carefully,
The husband replied,...
"Judging from your skin, twenty four;
your hair, twenty seven;
and your figure, twenty five."

"Oh, you flatterer!" she gushed.
But just as she was about to give him his reward, he stops her by saying...

"WHOA, hold on there sweetie!"
"I haven't added them up yet!"

The Lighter Side

Frank was excited about his new rifle, so, he went bear hunting.

He spotted a small brown bear and shot it.

There was then a tap on his shoulder, and he turned around to see a big black bear.

The black bear said: "You've got two choices; I either maul you to death or you can bend over."

Frank decided to bend over. Even though he felt sore for two weeks, Frank soon recovered and vowed revenge. He headed out on another trip where he found the black bear and shot it.

There was another tap on his shoulder.

This time a huge grizzly bear stood right next to him. The grizzly says: "That was a huge mistake, Frank. You've got two choices. Either I maul you to death or you can bend over."

Again, Frank thought it was better to comply. Although he survived, it would take several months before Frank finally recovered. Outraged he headed back to the woods, managed to track down the grizzly and shot it.

He felt sweet revenge, but then there was a tap on his shoulder. He turned around to find a giant polar bear standing there.

Teacher:
Billy, give me a sentence starting with "I".

Billy: I is ...
Teacher: No, Billy. Always say, "I am."

Billy: All right ...
"I am the ninth letter of the alphabet."

The polar bear says:
"Admit it, Frank, you don't come here for the hunting, do you?"

Patient:
My hair keeps falling out. What can you give me to keep it in?

Doctor: A shoebox.
