

The Social Whirl

Martin Shaw

Too much to say and no space left to say it, The Summer Charity fundraiser (for those of you who missed it) was a cracker and extremely well supported by our sponsors. Shafi kicked off the autumn season with a great Fish Supper attended by a sell out crowd and a Curry Night will have been equally well supported by the time you read this magazine. The main October event was of course the Charity Golf at Dirab which looks like raising our largest ever amount for the Disabled Childrens Association.

As always, many many thanks to those who assist at these events and to our generous sponsors who help to make it happen. I trust the photographs will remind you of some 'great nights had by all'. All members will have received the calender of events for future activities and I'll leave you with the following message - "Book early to avoid disappointment"

Winners at the Charity Golf Dinner

Visitor from Wales, Larry Wilson (above left) was a little embarrassed to win one of the main prizes in the evening raffle. Larry generously returned her prize which was auctioned raising an additional SR2500 for charity. Winners of the Golf Tournament Prize (below left) were John Arnett, Sheila Galloway, Jimmy Blackwood and Stu Henrickson (out of shot).

Bob Beaney pictured below won the return flights to London, generously donated by Paul Dhami (standing next to HMA) from British Airways. With over 125 prizes to share out among the 250 diners, there were winners on every table. Sara Budge (pictured below right) won one of the top prizes, seen here being presented by Osama Alkabani.
