WHERE ARE THEY NOW?

Starting off, what I hope could become a regular feature is a picture of the previous RGBB secretary, Jenny Hall and her husband Adrian. Adrian you may recall, works with Royal & SunAlliance and was posted to Dubai a few months back. In the picture, Jenny has her hands full with eldest son James while Adrian copes valiantly with new arrival Alex. (now about 4 months old)

AND FINALLY - one last anagram
Manchester United Footballer David Beckham = Man, the bloke blundered! Fetch Victoria Adams!
