by Paul Dugan

The first RGBB Arizona Golf Championship took place in Riyadh, November the 18<sup>th</sup> 2004 will be remembered by the fifty plus avid golfers as a day to remember.

partnership with Kanoo Travel, and the Riyadh Multinational School promoting Corporate Social Responsibility (CSR).

The main objective was to bring the RGBB and the community together with players from most of the Riyadh communities participating. With the Riyadh weather about thirty degrees and a slight breeze the event turned out to be a challenge to most of the players and echoes of "fore" were still resounding around the course days later!

Special thanks to Arizona Golf Club and of course our "Pro" Marty. And of course it would not have been a success without our sponsors for the prizes Kanoo Travel and the Al Faisalia Group.
