

Our four adjoining compounds (Al Hada, Al Zahra, Al Bustan and Stemco) form the Al Bustan Village Community and contain three hundred and seventeen villas and fifty seven apartments spread over eighty eight acres of landscaped gardens.

The British International School of Al Khobar (BISAK) is located within the village grounds. Our emphasis on service, family activities, particularly for wives and children, plus the Western Management make Al Bustan Village the preferred choice for expatriate housing in the Eastern Region.

A wide spectrum of accommodation is offered and is designed to meet most budgets. Our facilities and services are the finest available and our community spirit and activities are surpassed.

Come and find out what makes Al Bustan so special!
